

## Hot Deal for Mary Hill Hillclimbers

Marie & I have lodged at the Ponderosa Motel in Goldendale for the last three years. It is everything we could want. Reasonable rates, quiet, hot breakfast, and nice people running it. We have been in contact with the owner and agreed to a group rate which is very fair. I add that we have no financial interest in this we only want to provide a great option for our fellow racers.

The Group Rate for a single bed, one or two people, is \$75 plus taxes. For two beds, and up to three people, it is \$85 plus taxes. A hot breakfast, beginning at 0630, is included. The deal is for any combination of dates from F 9/18 through Sun 9/20. Rooms include fridge, micro, coffee maker, direct TV, and WiFi.

**Do not book on line!** You must call direct 509-773-5842 and say you are part of the North West Hill Climb Association when you book for these group rates. The Ponderosa will have our website referenced on their face book and new website.
